

We have fully refurbished SSI M100SD two-shaft shredder available for sale.

This pre-used shredder has been fully stripped down, had many major parts replaced or fully serviced and fully refurbished to the following specification;

- 150 kW (200 HP) 400/3/50 VAC electric motor
- 1,040 mm wide by 1,610 mm long cutting chamber
- Brevini planetary gear reducer and main shredder gearbox
- SSI patented SSP - Severe Shock Protection™ system
- 64 mm nominally thick fully rebuilt cutter set with RW1 hard facing
- The shredder head module and support frame weighs approximately 10,500 kg
- SSI VSD control panel
- Can be seen shredding during testing in our workshop :
[https://youtu.be/ a4Uou9AU64](https://youtu.be/a4Uou9AU64)
- Can also be seen fully operational in our workshop on request

This shredder comes with a complete O & M handbook, spare parts list, spare parts drawing and comes with a 3-month parts and labour warranty.

Price - £ 127,800 net, ex works Hull

(NB: this is less than half the price of a new shredder of the same specification)
